**TISE and  
CSX Listings**

We advise and act for clients for all categories of listings on The International Stock Exchange (TISE) and Cayman Stock Exchange (CSX), with partner-led teams advising clients on listing requirements, and with full licences to act as sponsors and listing agents.

**What we do**

At Bedell Cristin, we have been advising on matters relating to TISE and its fore-runners (the CISX and CISE) since 1999, including having been chosen as advisers by CISE to advise on its own listing on the exchange in 2016.

With a tier-one rated Capital Markets team in Jersey (according to independent legal directory Legal 500), we have considerable experience acting as listing agent and adviser to a significant number of issuers of TISE-listed debt securities and REITs.

**Who we work with**

Our clients include major corporates and private equity firms taking advantage of the quoted Eurobond exemption and we are also one of the most active sponsors of UK REIT listings.

We are also a listing agent for the CSX, where our team have advised not just on Eurobond listings, but also investment fund listings and exchange delistings.

Bedell Channel Islands Limited (BCIL) is a categories 1 and 2 listing member of TISE and is authorised to act as a sponsor on all categories of listings.
